Water & Wastewater Treatment Solutions

ABOUT US

K&C Envirotech Services, established in 2021, is a leading water and wastewater treatment plant design and manufacturing company with operations across PAN India. Our head office is located in Mumbai.

We specialize in delivering innovative, efficient, and sustainable solutions for water and wastewater treatment systems, primarily focusing on:

- Industrial Sector
- Commercial Sector
- Building Sector
- Hotels & Hospitality Sector

Our experienced team of sales, mechanical, and electrical engineers ensures technically sound design, seamless execution, and reliable performance of every project.

WHY CHOOSE US?

✓ Integrated Environmental Solutions

We provide complete design consultancy and equipment solutions for ETP, STP, DM, TTP, and Water Softening Systems—ensuring seamless execution from concept to commissioning.

✓ Technical Expertise & Process-Driven Design

Our engineering approach focuses on performance optimization, regulatory compliance, and long-term operational efficiency. Every system is customized to meet specific industry requirements.

✓ Compliance & Sustainability Focus

We design systems aligned with environmental standards and pollution control norms, ensuring clients meet regulatory requirements while promoting water reuse and waste reduction.

✓ Cost-Effective & Energy-Efficient Solutions

Our solutions are engineered to reduce operational costs, power consumption, and downtime—maximizing ROI for our clients.

✓ Client-Centric Approach

We believe in long-term partnerships. Our team ensures transparent communication, timely project delivery, and dedicated after-sales support.

Our Vision

To become a trusted and leading environmental engineering company in India, delivering innovative, sustainable, and cost-effective water and wastewater treatment solutions that contribute to a cleaner and greener future.

Our Mission

To ensure customer satisfaction through timely project execution and strong after-sales support & promote environmental sustainability by reducing water pollution and encouraging water reuse and resource recovery.

Core Values

- Integrity
- Innovation
- Sustainability
- Quality Excellence
- Customer Commitment

Operation & Maintenance (O&M)

⬆ Operation & Maintenance (O&M)

We provide comprehensive Operation & Maintenance services to ensure smooth, efficient, and compliant operation of industrial treatment and evaporation plants.

⬆ Plants Covered

- ETP – Effluent Treatment Plants
- STP – Sewage Treatment Plants
- MEE – Multi Effect Evaporators
- MVR / MVRE Systems

⬆ Scope of O&M Services

- Complete plant operation and process monitoring by trained technical personnel
- Routine inspection and preventive maintenance of mechanical, electrical, and instrumentation systems
- Troubleshooting and breakdown maintenance to minimize plant downtime
- Process parameter monitoring and optimization for stable plant performance
- Chemical dosing management and process control to maintain treatment efficiency
- Sludge handling and disposal management in compliance with environmental norms
- Energy optimization and operational cost reduction
- Spare parts management and equipment health monitoring
- Performance reporting and documentation
- Support for Pollution Control Board compliance and environmental regulation
